Potek tekmovanja:

Competition:

Pre-start je v tekmovalnem centru. Od tam nadaljujete do časovne kontrole 1 (TC1). Sledite oznakam. Za TC1 sledi strm in grob klanec proti TC2. Tekmovalci na invalidskih vozičkih naj uporabijo pot naokoli (karta bo na voljo). Po TC2 tekmovalci prehodijo 300m po sprehalni poti do PreO dela. Med tekmo ne zapščajte glavne sprehajalne poti, ki ji domačini pravijo Rake. Italijani so ji včasih rekli tudi »Via amore«. Pazite, da vas kdo ne zmede preveč. 😊 Ko končate s progo, se vrnite nazaj v tekmovalni center.

Oznake stojišč so v beli in rumeni barvi. Rumena barva pomeni, da se KT nahaja na nasprotni strani poti. Takšne oznake so uporabljene pri A-Z kontrolah in tam, kjer so zastavice jasno vidne s stojišča.

*Pre-start is in the competition centre. From there you will proceed to TC1. Follow the signs. After TC1 there is a steep and somehow rough gravel climb to TC2 (**wheelchair users should use the way around – map will be provided at TC1**). After TC2 there is approx. 300m walk to the start of the PreO course. You should **not leave** the main path along the stream, which locals call Rake. And Italians used to call it »Via amore«. Don't lose your concentration. 😊 After you finish with your course, you return to the competition center.*

Decision point markings are in white and yellow colour. The yellow marking is set on the opposite side of the path for controls, where situation is trivial (either A-Z controls or very clear positioning of the flags).

ANT & TOP:

ANT & TOP:
